

## **Job announcement Technical Expertise Consultancy**

Farmers and Nature Net Association (FNN) is a local, non-profit and non-political farmer organization, which was established in 2003 and officially registered at the Ministry of Interior on March 10th, 2006. FNN represents a network of village-based farmer organizations that acts as an umbrella to represent and serve the interests of self-help associations, agricultural cooperatives, and provides technical assistances on capacity building.

FNN in cooperation with DCA is currently looking for a Technical Expertise Consultancy for providing a package of training services as follows TOT training on vegetable growing, TOT training on chicken raising, training on fruit and vegetable post-harvest management and food processing, and Business Literacy training. The selected consultant will provide two TOT trainings and other two training workshops to about 25 AC executive/producer group leaders per training. See TOR attached.

If this sounds like you then do not hesitate to get in touch with us. Please send us your CV and cover letter outlining your experience and competences, proposed budget only for the training fee (plus 15% withholding tax), traveling cost and meals-DSA (if any) why you want to work with us by May 18, 2021. Successful candidates will be invited to a personal interview where we can get to know you better.
